## OSTRICH PILLOW HITS THE LITERARY SCENE

Having established itself amongst nappers worldwide Ostrich Pillow now makes its debut in *Power Napping – Smarte Pausen mit großem Erfolg* the book by Grit Moschke and Andreas Attender. This book is set to be the ultimate in bed time reading. The authors of the books say: 'We love Ostrich Pillow because of its design and multifunctional, it is light, cosy and a bit crazy but perfect to create great sleeping environment. We would like to motivate people to take naps and Ostrich Pillow is such a great product'. – Thank you guys for sharing our love for napping and including us in your book!
